

NIELIT CHENNAI VIDEO CONFERENCING SYSTEM ACCESS MANUAL

Step 1: Use recent Google Chrome (Don't use other browsers in Mobile/Laptop) with permission to access microphone and camera.

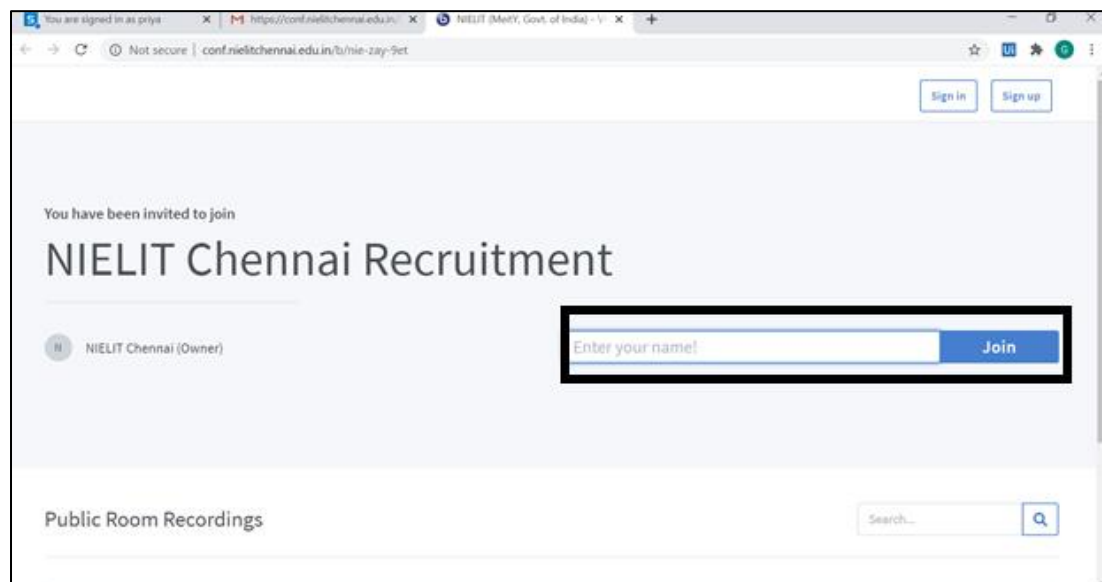

Step 2: Visit the website: (Actual Link will be shared 1 Hr. before the Interview)

<https://conf.nielitchennai.edu.in/b/aaa-bbb-ccc> (This is demo link, don't try to open)

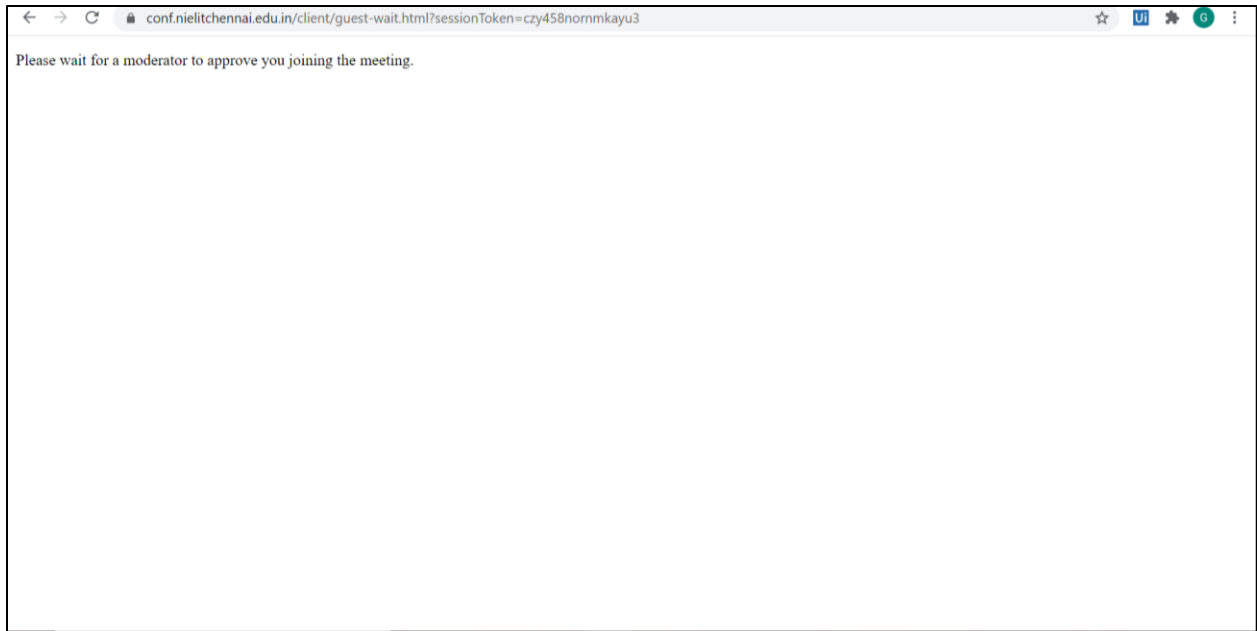

If you find any security issues, click on Advanced options → Proceed to site(unsafe).

Step 3: Enter your name in the tab shown below and click **Join**

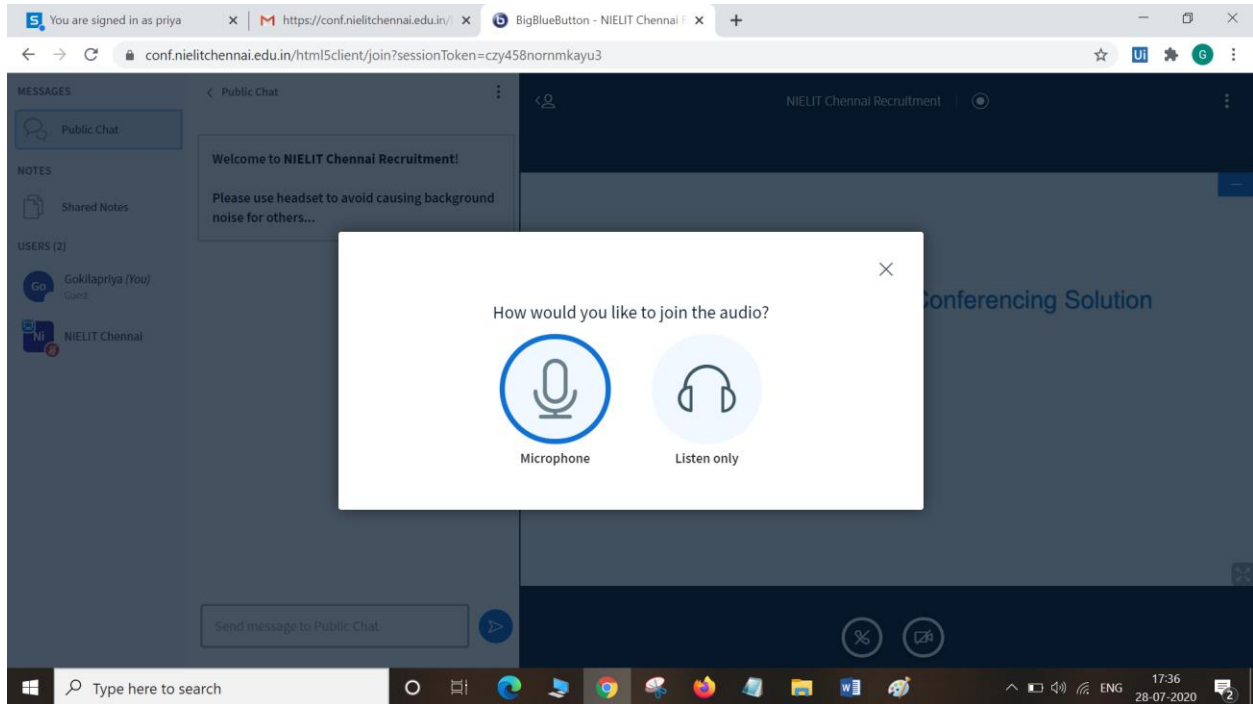

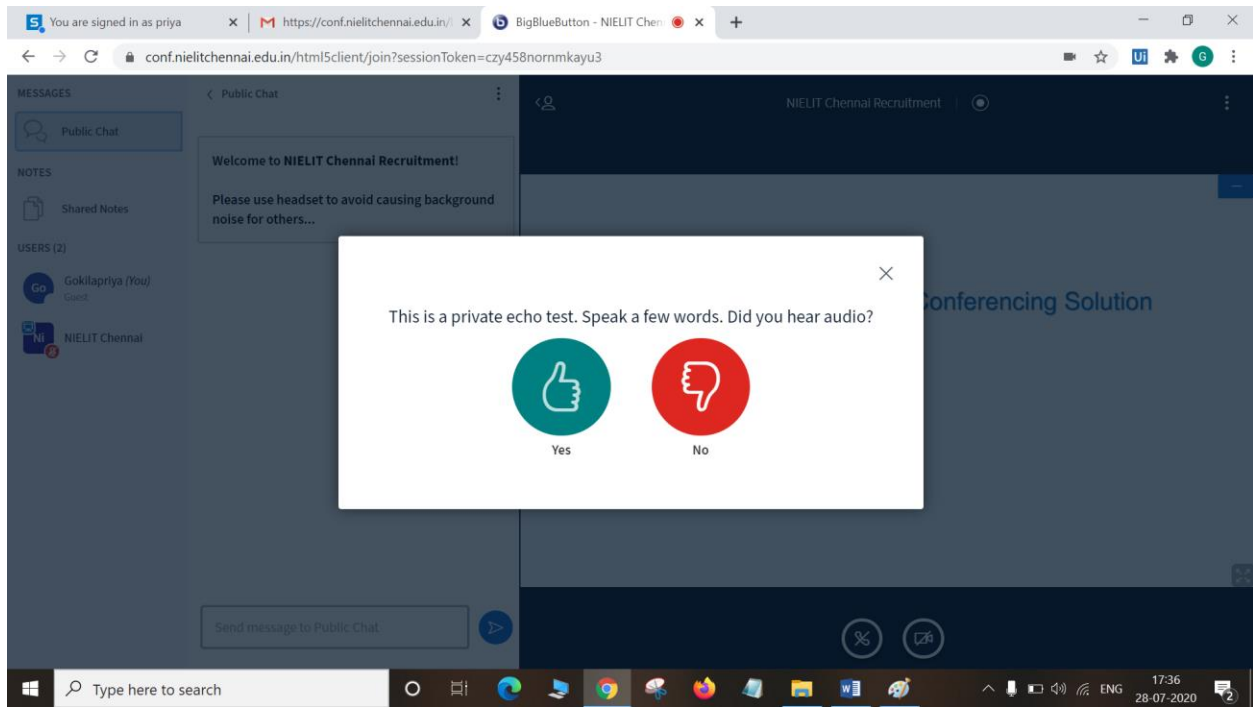

Step 4: Wait for your turn. Don't open multiple tabs or sessions.

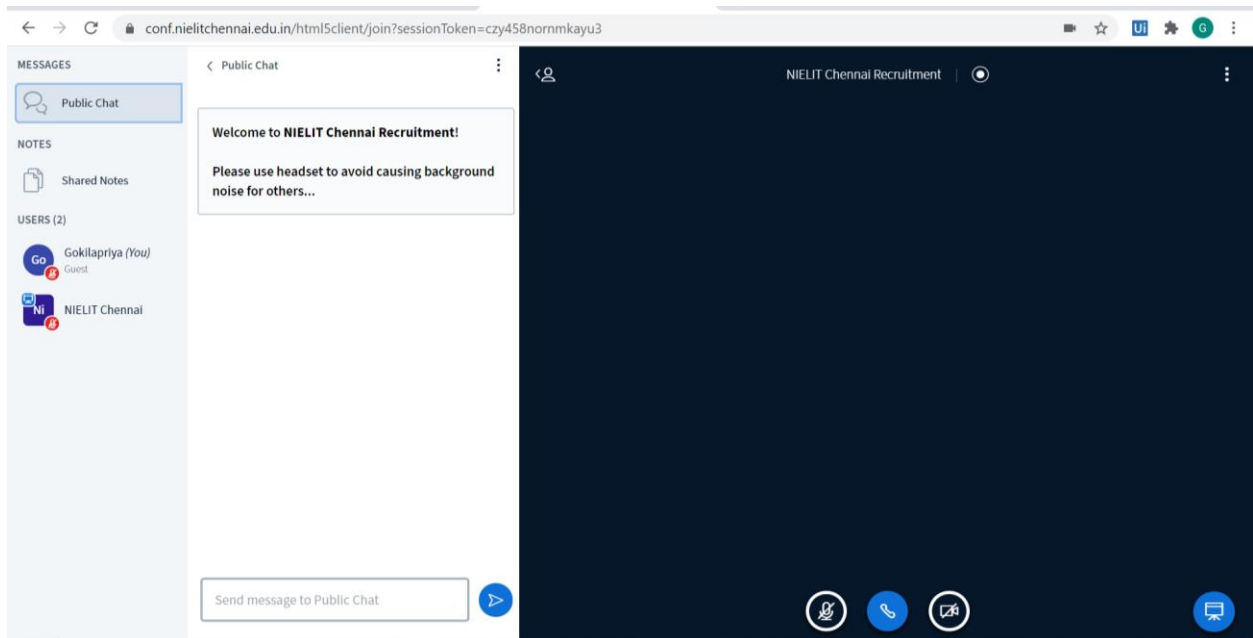

Step 5: It will take you to the page shown below.

Note: Camera and microphone is mandatory while connecting through Laptop or Mobile

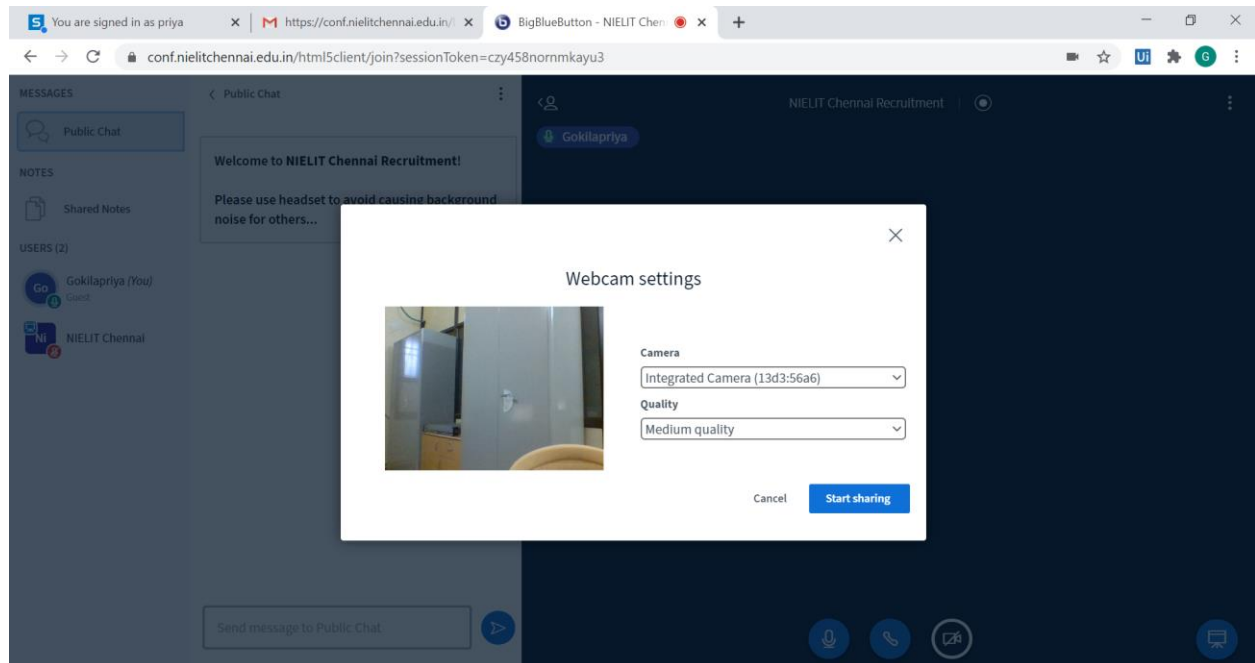

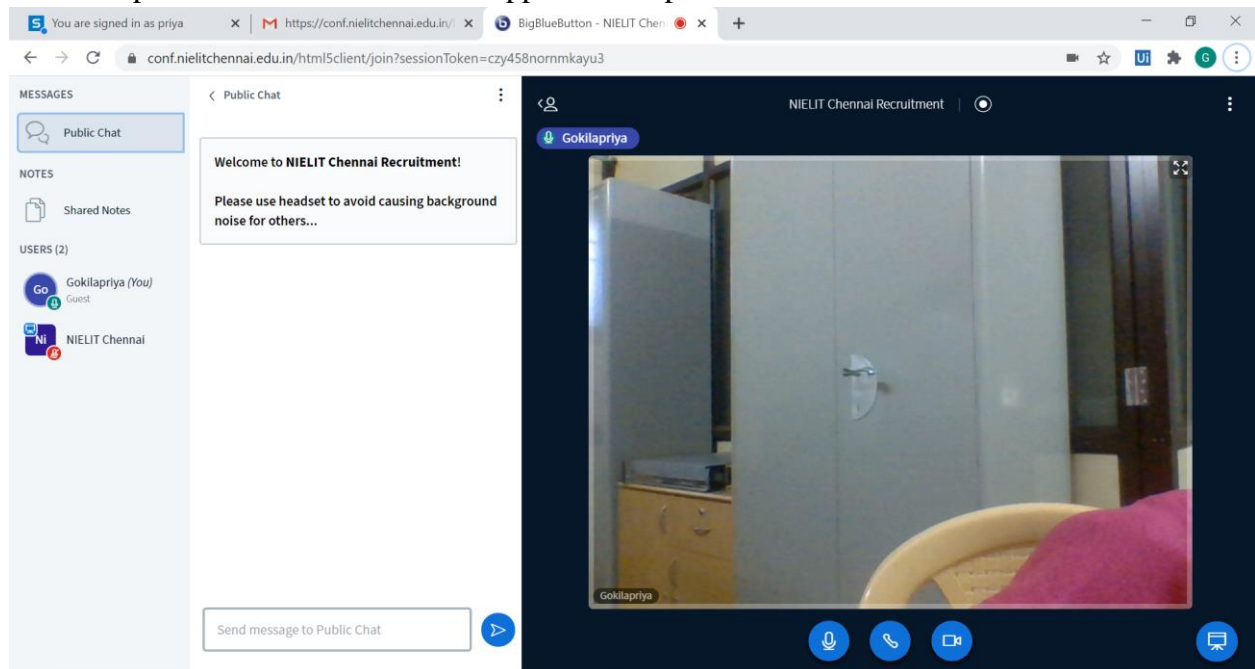

You have to choose microphone for listening as well as speaking. Then it will prompt you to take self-echo test- where you have to speak some words and you should be able to hear what you spoke- if it done- you can click on Thumbs Up option (Yes) to continue to the session.

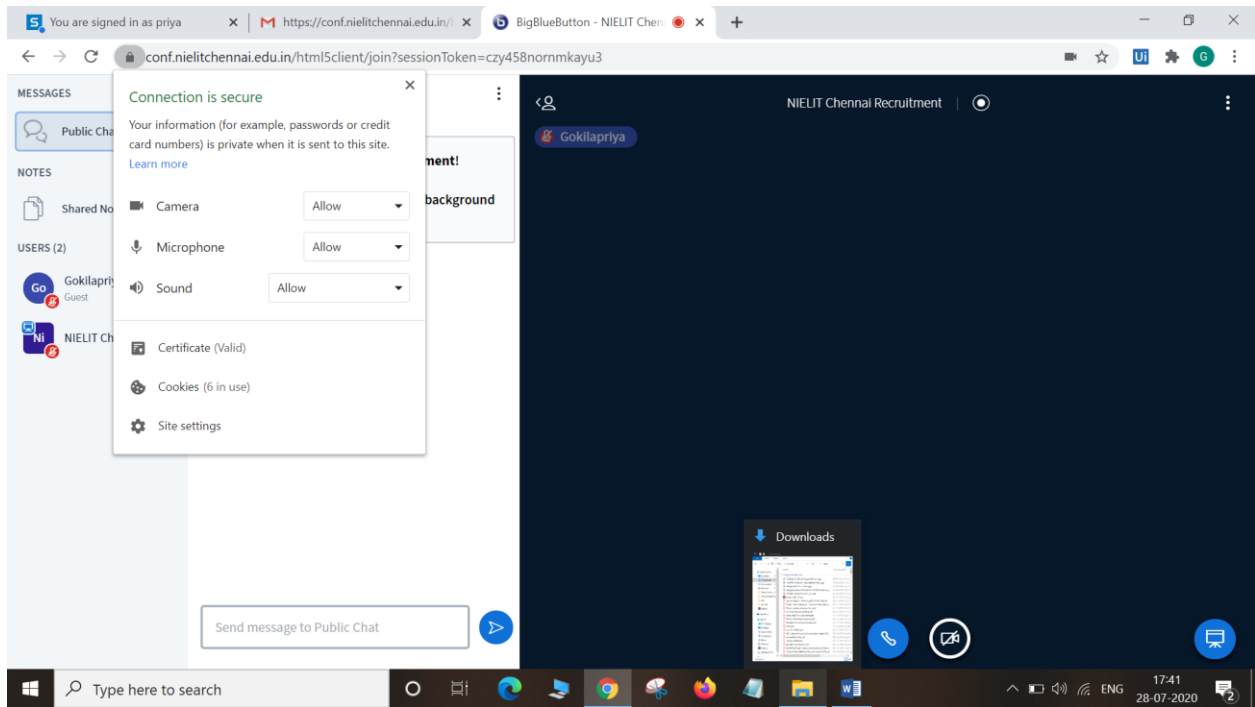

Step 6: You have to click Unmute and Share Webcam button on the below. It will ask for Webcam Settings. Click on Start Sharing

Step 7: Your live video should appear in the portal.

Step 8: After unmuting, make sure your camera, microphone, sound is allowed by clicking on lock button.

Step 9: Click on user icon in the screen, so you will be available full screen as shown in next image.
